Mr. Allen Dulles,
C.I.A.,
Washington, D.C.

*If you do not have
a friend in the world,
you can find one here.*

Dear Sir:

While the recent news events have brought much criticism from some sources, I for one have been brought face to face with a conviction that I may be of some service to my country through your CIA office.

As a University trained ordained minister and evangelist I can move about the country and not only serve my Lord in this calling, but also could possibly be of service to my country.

The enclosed will give you some information regarding my history, and if you feel there is any way in which I can help preserve our great freedom please contact me.

Sincerely,
